Experience

INZVA Türkiye / Sep 2019 - March 2020 (Participant)

- Participated in a 20 week algorithm camp at inzva.
- Currently a participant of inzva study group. Preparing for programming competitions online (May 2020 -).

Skills

- C++
- OOP (Object Oriented Programming)
- Data Structures
- Algorithms
- Currently learning React and Node-JS.
- C
- Python
- Git

Projects

- C++ project to simulate basic forward propagation
- Object-Oriented C++ pizza delivery project.

Education

- Computer Engineering at Istanbul Technical University(3.53 GPA)
(2018 - 2023)

Relevant Coursework

- Object Oriented Programming
- Data Structures
- Numerical Methods in Computer Engineering

Hobbies

- Paragliding
- Fitness
- Basketball
- Movies
